HOME IMPROVEMENTS

Established 2004

Smartglaze Home Improvements have been creating, designing and improving homes since 2004 and with over 20 years experience, you can be rest assured that not only will we install the highest quality products available but you will also receive friendly, helpful and professional advice too.

Quality Matters

We believe that quality always costs less, so much so that all of our installations and products carry a 10 year guarantee and for added piece of mind we will even give you a 10 year insurance backed guarantee at no extra cost.

Excellence as Standard

We are so proud of our reputation and installations, that any of our work is viewable on request at any time. In turn all of our installations are recorded with Derbyshire County Councils Trusted Traded Scheme.

Our aim as a local company is to provide friendly, quality services that can be relied upon, with the same attention to workmanship from concept to completion and backed-up with a 4 day response to post installation care in the unlikely event that there are any problems.

Choose a Smartglaze DOOR

AT SMARTGLAZE WE UNDERSTAND THAT EVERY HOME IS DIFFERENT

Choosing the correct door can reflect the style and period of your home. Our choice and styles of door are second to none and we can make sure you get all the advice you need to choose the right door and our fitting service will ensure a professional and speedy service for your doors.

Bi-fold Doors

A bi-folding door is the best way to open up your home and let more light in and make your home feel and look bigger.

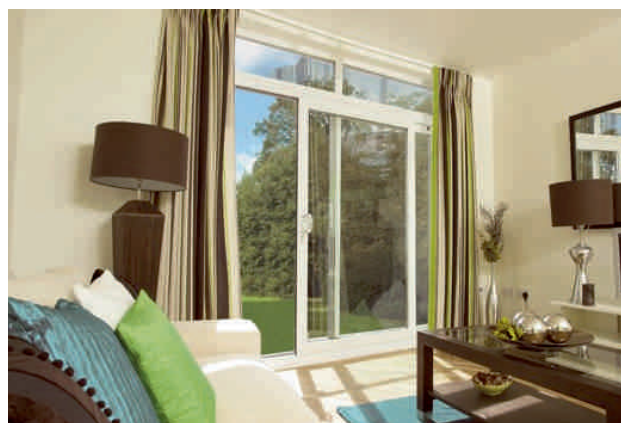

Composite Doors

A composite door is filled with timber unlike traditional doors, making it the most sold door on the market.

Patio Doors

Patio doors are available in a range of styles and colours including wood grain effect or traditional white UPVC.

French Sliding Doors

French doors provide an easy and practical way to open up a large entry point to the outside living space.

Choose Smartglaze WINDOWS

SMARTGLAZE HAVE A WIDE RANGE OF WINDOWS TO CHOOSE FROM TO SUIT ANY HOME

Choosing the best windows for your home can be a confusing job. With so many styles and finishes on the market, it's easy to get swamped with information. At Smartglaze we cut through all the hard sell and give you the exact information you need. We can come out to your home and give you free advice and free quotes on your windows.

Beautiful CONSERVATORIES

FOR THE BEST IN CONSERVATORIES - CHOOSE SMARTGLAZE

One of the easiest and cost efficient ways of improving your home is the addition of a conservatory. Our range of conservatories is second to none and we offer a professional advice service to help choose the right one for your home.

Whether you are looking for that extra light, a new office or dining area, play room or relaxing lounge, Smartglaze have the conservatory to fit the style and shape of your home. Whatever the size of the space or the amount of budget we are certain that we are the perfect company for your conservatory.

HOME IMPROVEMENTS

IMPROVING YOUR HOME IN SO MANY WAYS

A home is a long term commitment and there are time when you need to improve certain parts of it. At Smartglaze we have a wide range of services that we can offer to help improve your home.

FLAT ROOFS

SMARTGLAZE MAKE ROOFING EASY

We are certified installers of Permaroof and Firestone Rubbercover products, a fast and reliable installation process for house extensions verandas, garages, car ports, garden sheds and dormers.

SOFFITS AND FASCIAS

SMARTGLAZE ARE THE PERFECT COMPANY FOR THAT FACELIFT

Protect your roof and you protect your most valuable asset - your home. Years of withstanding the weather can leave your home exposed to damp, condensation and decay. Those all-important soffits, fascias, bargeboards, cladding boards, gutters and downpipes are easily forgotten - until something goes wrong!

WOODEN WINDOWS

SMARTGLAZE IN CONJUNCTION WITH S. LICHFIELD JOINERY, HEAGE

Hand manufactured in our workshops our windows meet the high level of quality and performance you would expect. Providing the most character enhancing windows and doors for your home. We can ensure that you really get the quality that a listed property or period home deserves.

COMMERCIAL FASCIAS

Our products can also be utilised for commercial premises, to either rejuvenate an existing tired building or to completely replace windows, door and old signage to bring your premises back to its former glory.

GARDEN/ GREENHOUSE ROOMS

Here are examples of our freestanding garden rooms and free standing Greenhouses an elegant and more substantial alternative to the usual light aluminium frame greenhouse.

Your Project Details ...

Derbyshire Trusted Trader has been set up for older adults and anyone else who worries about calling in traders or using businesses.

It aims to help combat rogue traders and door step crime, and to promote good standards of customer service and fair trading. It does this by supporting businesses that operate legally, fairly and honestly.

IWG has been providing Insurance Backed Guarantees for over 17 years and are the leading industries provider of premium service for the provision of Insurance Backed Guarantees and Customer Deposit Protection.

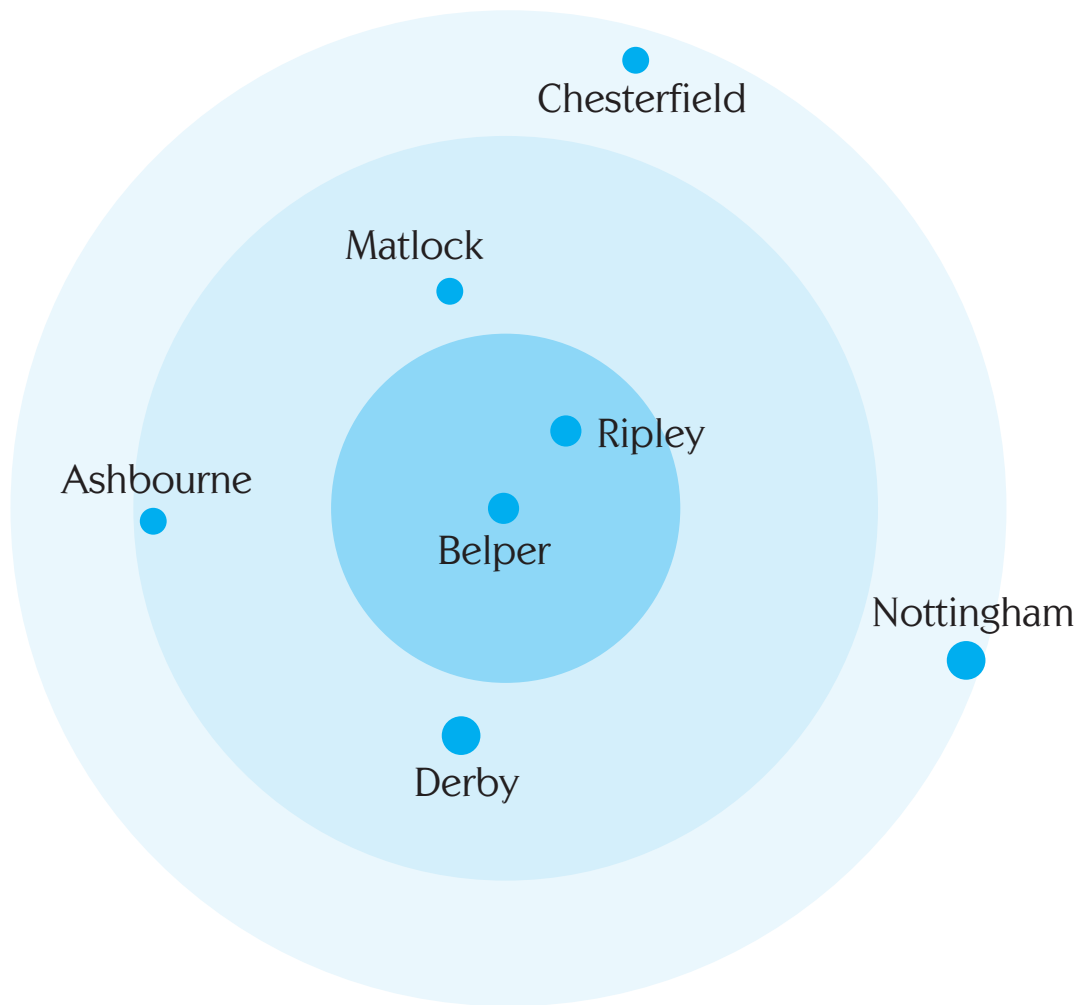

FENSA are one of the industry leaders for allowing registered companies to self-certify that their installation comply with current Building Regulations.

Your Budget

Whilst we endeavour to provide our customers with competitive prices we do use premium products when quoting, as a result our quotation may not be the cheapest if shopping around, please mention this to our team who can always suggest similar products that may suit a cheaper budget bracket.
